

Days That End in WHY

Job 3:1-3, 11-12, 23-25

Every day of the week ends with the **Letter** _____
but some days end in the **Word** _____.

Moses asked..... David asked..... Jesus did - Matthew 27:46 "My God, My God why?"

Job asked WHY more than any other man in God's Word.

For good reason: In one day Job lost his family, fortune.....

Job's worst nightmare came true for he says in v25.....

5 times in one chapter Job asked the word "WHY".....

Job teaches us 3 things about days that end in why! Those days are:

I. _____ days.

1st Corinthians 10:13 "There hath no temptation taken you but such is **common** to man..."

In Common Days there will be:

1. _____ we must FIGHT.

Adversity, affliction, pain and problems are all part of this life.

Jesus said, "In this world you **SHALL** have tribulation." John 16:33

Key thought: We're all going to have _____ with _____!

Job 14:1 Man that is born of a woman is of few days and full of trouble.

We went through trouble _____ into this world, our mothers went through
trouble _____ us into this world and our fathers had trouble _____ for it.

2. _____ we must FACE. v26

Job said "I" was minding my own business, doing my best to serve the Lord,
to honor the Lord, to please the Lord and to live for the Lord and all of a sudden.....

Days that end in why are Common Days

II. Days that end in why are _____ days.

Some days we have more _____ than we do _____. Amen

I've heard people say, "You should never question God", that's incorrect.

For God's Word is filled with questions.....

It's not wrong to question God but it's always wrong to _____ God!

Job questioned God for _____ chapters but he never.....

Remember Job's friends thought they knew why Job was suffering, but they were
wrong. They thought Job's suffering was because of something he did wrong (sin)

but Job's suffering was because he right.

Key thought: God may not give us _____ in this life why we suffer but
bless God He does give us _____ !

HALLELUJAH

III. Days that end in why are _____ days.

I wish I could tell you from God's Word that days of troubles and trials.....
will never come, but I can tell you with 100% assurance even though those days
are _____ they also will be _____ !

They won't last forever. For God's Word promises us:

1. A _____ day is coming.

Romans 8:18 *For I reckon that the sufferings of this present time are not worthy
to be compared with the glory which shall be revealed in us.*

Job knew we can't stop those days that end in why from coming but we can
keep those days from being _____ !

Job didn't know what was going on, but he knew God knew what was going on
and that was good enough for him.

Key thought: Even when things aren't good, **GOD'S STILL GOOD !**

Job knew a better day is coming.

2. A _____ day is guaranteed. Job 19:25-26

Job knew one day Heaven is going to _____ it _____ !

Revelation 21:25 "And the gates of Heaven shall not be shut at all by day:
For there shall be no night there."

In hell there's _____ with never a day.

In Heaven they'll be _____ with never a night.

That's why we sing "There's coming a DAY....."

Missionary Glenn Chambers killed in plane crash in Colombia.

His mother asked "WHY"

Tell story.....

God had an answer to that mother's why -

Glenn Chambers death did have a purpose, for his prayers were answered.

Key thought: God knows what He's doing in every.....

So why not bring

Your "WHY" to JESUS ?
